We have examined this application, and the records are correct, complete, and accurate.

Date: _____ Signed: _____
(Applicant)

Date: _____ Signed: _____
(Parent/Guardian)

Your cooperative understands the importance of education. In today's economy, it is often difficult for students to afford to continue their education following high school. We hope to help make attending college a little more affordable by awarding one \$500 Cooperative Trade Scholarship.

Our scholarship programs are available to any graduating high school senior who is the dependent of a cooperative member-owner. The Cooperative Trade Scholarship funding can be used at a two-year college or university, as well as at a technical or trade school to receive certification.

We are proud of this opportunity to help make a difference in the lives of our youth.

Provisions govern the eligibility of applicants for the Cooperative Trade Scholarship:

- Applicants must be residential members of North Central Electric Cooperative (NCE), or dependent children, or legal wards of permanent residential electric cooperative members receiving electric service at the time of application.
- Applicants must be a graduating high school senior enrolling in a technical program, current technical school enrollees, or students enrolling in a post-undergraduate technical program. Applicants must plan to attend or currently attend an accredited technical school program.
- Applicants must have cumulative grade point averages of 2.0 or above on a 4.0 scale or the equivalent standing on nontraditional scales. High school GPAs shall be used for applicants who have not yet begun a program, while technical school GPAs shall be used for applicants currently enrolled in programs.
- Applications must be typed and submitted on forms furnished by NCE. Scholarship applications must be received by NCE by January 17, 2020.
- Application information must be confined to the official form. The only attachments permitted are high school transcripts and one letter of recommendation from an instructor.
- Applicants who have received "full-ride" scholarships (tuition, room, board, and books) to the schools of their choice are not eligible for NCE scholarships.
- Applicants whose immediate family members are (or reside in the households of) NCE trustees or NCE employees are not eligible.
- All scholarships must be accepted in the first academic year after proof of enrollment* is received by NCE. However, an extension of one year may be granted for just cause in the judgment of the general manager. In the event applicants are unable to fulfill their enrollment obligation under this program, awards are forfeited.

Please complete by January 17, 2020
