

Electric Vehicle – Level 2 Charger Rebate

for Cooperative Members

\$250

ELECTRIC VEHICLE –
LEVEL 2 CHARGER
REBATE

North Central Electric Cooperative is offering rebates to cooperative members who install a new electric vehicle – level 2 charger* in a home, office, or other building. This rebate is available only to members. Members must install the equipment in compliance with requirements between July 1, 2019, and June 30, 2020.

SPECIFIC REQUIREMENTS: The equipment must be certified and listed by Underwriters Laboratories (UL) and Edison Testing Laboratories (ETL).

The equipment installed must be in accordance with manufacturer's specifications and recommendations and must meet applicable federal, state, and local agency standards.

All rebates are issued in the form of a check. A maximum of two charging port rebates may be paid per residential member home. A maximum of six charging port rebates may be paid per non-residential commercial building or facility.

*North Central Electric Cooperative's rebate on electric vehicle – level 2 charger is limited. The offer expires when funds are depleted on a first-come, first-served basis, or when the program is discontinued.
