Contract for Membership and Electric Service

The undersigned primary member of record (hereinafter called the "Member"), hereby applies for membership in and agrees to purchase all electric energy for use at the below- listed location (the "Premises") from North Central Electric Cooperative, Inc. (hereinafter called the "Cooperative"), upon the following terms and conditions:

1. Membership will be effective upon satisfaction of the requirements for membership provided in the Code of Regulations of the Cooperative.
2. Member will purchase all electric energy for use at the Premises from the Cooperative and authorizes the Cooperative to enter upon the Premises for the purpose of establishing, installing, maintaining, and removing electric and/or other services.
3. Member is to pay on or before the due date of each billing, at rates fixed by the Board of Directors of the Cooperative, all charges for electric energy and/ or other services used at the Premises. In the event Member does not pay, in addition to all other available remedies, the Cooperative may discontinue service and before service will be resumed may require Member to pay for all electric energy previously used, any other resulting charges, and make a deposit, as required by the Cooperative.
4. Member agrees a portion of the amount paid for electricity each year is for a subscription to *Ohio Cooperative Living* magazine. This is the Cooperative's official monthly newsletter used to communicate legal notices, news, and information to our members.
5. Member will comply with and be bound by the provisions of the Articles of Incorporation and the Code of Regulations of the Cooperative, and any amendments thereto, and such rules and regulations as from time to time may be adopted by the Board of Directors. Copies of which are available to the Member at the office of the Cooperative or on the Cooperative's website; provided, however, that the Board of Directors shall be entitled to change, eliminate or create new rules and regulations, in its discretion, without prior notice.
6. Member will be responsible for the wiring of the Premises and any apparatus connected thereto and shall indemnify and hold harmless the Cooperative against any claim, expense, injury, loss or damage resulting from defect in or improper use or maintenance thereof. In no event shall the responsibility of the Cooperative extend beyond the point at which its service wires are attached to the meter provided for measuring electricity used on the Premises.
7. Upon request of the Cooperative, based upon reasonable terms and conditions and without receiving financial compensation, Member shall grant to the Cooperative one or more right-of-way easements for extending and furnishing service to the Member or any other Cooperative member or for any other need of the Cooperative in constructing, operating and maintaining its electric system and other services including but not limited to broadband and telecommunications offered by the Cooperative or an affiliated entity.
8. Member acknowledges the requirement to update the Cooperative as changes occur with their Contract for Membership and Electric Service.

The acceptance of this contract by the Cooperative will constitute an agreement between the Member and the Cooperative, and the contract for electric service shall continue in force until cancelled by notice given by either party to the other.
